**Subject:** RE: Shipment of Crude PPh and Tank Aliquot

Copy that. Thanks for letting everyone know. Let's doubly ensure the coolers are opened and unpacked in the sample receiving fumehood, and call me and/or EMSI if any issues are detected.

**Subject:** Shipment of Crude PPh and Tank Aliquot

The National Guard is sending us an aliquot of the Crude PPh Mixture (Dow Chemical) and an aliquot of the original tank mixture. These were shipped out Wednesday so we should be receiving them today.

MSDS should be included but we have already received copies of the MSDS for these materials.
